

Seven Gulfs activity

1. Goal
Start a Pandora station that only plays London punk from 1960-1969.
2. Execution intention
Go to Pandora, click add new station. Add the station that I want...
3. Execution sequence
Type London punk 1960-1969 (that is the station I want) into search box and the first result should be my channel.
4. Physical execution
84 results, none are what I want.
5. Evaluation perception
perceive a list of artists/songs/stations, lots of punk and punk related but none only play music from London recorded in 1960-1969
6. Evaluation interpretation
The channel I was looking for is not listed.
7. Evaluation comparison
They don't have the channel I want.
